

Hello everyone!

My name is Todd Jobbitt. I have been living and teaching for many years at our HUFS Seoul campus. Teaching is a wonderful job that allows me to meet new people while living abroad.

Work takes up a lot of my time, but my other main job is raising my children: Lana and William. I love to go out and exercise with my kids – usually running, biking or swimming.

In my free time, I like to watch action movies (like Batman, The Avengers, etc.), and TV shows like The Terminal List, DC Legends, Kung Fu, etc.). I especially like reading novels (sci-fi, action, and historical fiction) and graphic novels.

My home state is Michigan (USA), a very beautiful state with quick-changing weather. It's similar to Korea's weather, but colder in the winter and almost as humid in the summer. It's famous for the Great Lakes, Motown music (Detroit), and cars.

Well, enough about me. Let's hear about you! Write back to me, and tell me about your family, hobbies, things you don't like or are afraid of, your personality, favorite things, or anything else that you would like me to know about you.

I am looking forward to our busy semester – we have a full 16-week term! It is a new adventure for you just as much as it is for me, and I know we'll have a good time working together. 😊

Warm regards,

Todd
