

GSE Advanced English Reading – 2025 - Needs Analysis results

1. What are your expectations, and/or what do you hope learn from this course?

- To improve English speaking skills (x12) [No problem!]
- To pass the English exam (x4) [We'll see what we can do]

2. What would you like to spend more time on? Less time on?

- “The syllabus is (good) enough” (x8) [Okay!]
- Maybe reduce assignments? (x4) [We'll see...]

3. What changes would you make (add, modify, or delete?) to the syllabus? Consider all parts of the syllabus: schedule, materials, processes, etc. Be specific.

- Few want to speak freely and slowly on given topics (x8) [Sounds great]
- We want to learn from your experiences (x4) [Let's discuss this?]

4. How would you like to use AI in this course? What ideas can you think of?

- Grammar and expressions (?) (x4) [Tell me more in Week 3?]
- Use AI to understand words, check spelling, for making sentences (Papago, etc.) (x4)
- Use AI to create English lesson plans and plan teaching (x4) [We'll do this!]

Your majors: Psychology (x6), Chinese (1), and Japanese (2).

Thank you for the input! Let's work together this term to boost your English and AI skills ^^
